PROFESSIONAL SUMMARY

Aspiring Web Developer skilled in Java, Python, MySQL, and JDBC, with hands-on experience building database-driven applications and a security-focused SQL injection detection system. Strong problem-solving skills with a focus on reliable, user-focused software.

TECHNICAL SKILLS

Programming Languages: Java, Python, C

Web Technologies: HTML, CSS, JavaScript

Database: MySQL

Database Connectivity: JDBC

Version Control: Git (Basic), GitHub (Basic)

Technical Concepts: Object-Oriented Programming (OOP), Machine Learning

PROJECTS

Salary Management System

Technologies: Java, JDBC, MySQL

- Developed a Java-based salary management system integrated with MySQL using JDBC to manage employee and payroll information.
- Implemented employee CRUD operations and salary processing covering basic salary, HRA, DA, bonuses, and deductions.
- Built database-driven reporting and user authentication for managing employee and payroll records.

Secure Database Management System

Technologies: Python, Streamlit, MySQL, Pandas, Scikit-learn, TF-IDF, Random Forest

- Developed a Python-based Streamlit web application integrating MySQL for secure database interaction and query monitoring.
- Implemented SQL injection detection using rule/signature-based checks and a machine-learning pipeline with TF-IDF feature extraction and a Random Forest classifier.
- Added user authentication, dashboard functionality, query-history logging, and attack logging for secure database monitoring.

EDUCATION

Qualification	Institution	Passing Year	Percentage / CGPA
B.E. - Computer Science and Engineering	M.P. Nachimuthu M. Jaganathan Engineering College	(Currently Pursuing)	CGPA: 8.19/10 (Up to 5th Semester)
Class XII	Government Higher Secondary School, Velliraveli	2023	Percentage: 74%
Class X	Government Higher Secondary School, Velliraveli	2021	Pass

INTERNSHIP EXPERIENCE

Machine Learning Intern

EMGLITZ Technologies | 30 Days

CERTIFICATIONS

Machine Learning Internship — EMGLITZ Technologies | 30 Days

AI Tools & ChatGPT Workshop — be10x | Issued: July 12, 2026

ACHIEVEMENTS

Paper Presentation — "Smart Home" | Kangeyam Institute of Technology

PERSONAL DETAILS

Date of Birth: 15/05/2006

Languages: Tamil | English

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
